INDEPENDENT AUDITOR'S REPORT

**BOARD OF COMMISSIONERS
SEWERAGE DISTRICT NO. 2 OF RAPIDES PARISH
RAPIDES PARISH POLICE JURY
Alexandria, Louisiana**

I have audited the accompanying financial statements of Sewerage District No. 2 of Rapides Parish, a component unit of the Rapides Parish Police Jury, as of and for the years ended December 31, 2000 and 2001, as listed in the foregoing table of contents. These financial statements are the responsibility of management of the district. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards and generally accepted governmental auditing standards contained in Government Auditing Standards, issued by the Comptroller General of the United States. These standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sewerage District No. 2 of Rapides Parish as of December 31, 2000 and 2001, and the results of operations and cash flows for the years then ended, in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, I have also issued a report dated June 4, 2002, on my consideration of the internal control over financial reporting and my tests of compliance with certain provisions of laws, regulations, contracts, and grants.

My audit was made for the purpose of forming an opinion on the financial statements. The accompanying supplemental information schedules listed in the table of contents are presented for the purpose of additional analysis and are not a required part of the financial statements of Sewersage District No. 2 of Rapids Parish. Such information has been subjected to the procedures applied in the audit of the financial statements and in my opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

SEWERAGE DISTRICT NO. 2 OF RAPIDES PARISH
RAPIDES PARISH POLICE JURY
Alexandria, Louisiana
Notes to the Financial Statements
As of and for the Years Ended December 31, 2009 and 2008

INTRODUCTION

Sewerage District No. 2 of Rapides Parish was created by the Rapides Parish Police Jury under the authority of Louisiana Revised Statutes 33:3853. The sewerage district is governed by a three-member board appointed by the police jury. The sewerage district maintains and operates the sewerage system within the boundaries of the district. At December 31, 2009, the district has approximately 1603 customers.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. REPORTING ENTITY

As the governing authority of the parish, for reporting purposes, the Rapides Parish Police Jury is the financial reporting entity for Rapides Parish. The financial reporting entity consists of (a) the primary government (police jury), (b) organizations for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statements No. 14 established criteria for determining which component units should be considered part of the Rapides Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASH has set forth criteria to be considered in determining financial accountability. These criteria include:

1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the police jury to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the police jury.
2. Organizations for which the police jury does not appoint a voting majority but are fiscally dependent on the police jury.

(Continued)

2. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the police jury has the ability to impose its will on the district and there exists the potential for the district to provide specific financial benefits to or impose specific financial burdens on the police jury, the district was determined to be a component unit of the Rapides Parish Police Jury, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the district and do not present information on the police jury, the general government services provided by that governmental unit, or other governmental units that comprise the financial reporting entity.

B. FUND ACCOUNTING

The district is organized and operated on a fund basis whereby a self-balancing set of accounts (Enterprise Fund) is maintained that comprises its assets, liabilities, fund equity, revenues, and expenses. The operations are financed and operated in a manner similar to a private business enterprise, where the intent of the governing body is that the cost (expenses, including depreciation) of providing services on continuing basis be financed or recovered primarily through user charges.

C. BASIS OF ACCOUNTING

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The Enterprise Fund is accounted for on a flow of economic resources and determination of net income and capital maintenance. With this measurement focus, all assets and all liabilities associated with the operation of the fund are included on the balance sheet. The Enterprise Fund uses the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized at the time the liability is incurred.

D. CASH AND CASH EQUIVALENTS

Cash includes amounts in demand deposit accounts. Cash equivalents include amounts in time deposits. Under state law, the district may deposit funds in demand deposits, interest bearing demand deposits, money market accounts or time deposits with fiscal agent banks domiciled or having a branch office in the State of Louisiana, or other instruments backed by the U.S. Treasury.

E. FIXED ASSETS AND LONG TERM LIABILITIES

Fixed assets and accumulated depreciation of the district are included on the balance sheet of the fund. Depreciation of all exhaustible fixed assets are charged as an expense against operations. Depreciation is computed using the straight-line method over the estimated useful life of the system of 45 years for sewerage lines and equipment and 10 years for all other equipment. Fixed assets purchased by the district are recorded at historical cost and donated fixed assets are valued at the estimated fair market value at the time of donation. The sewerage district has no long-term liabilities.

F. FUND EQUITY - CONTRIBUTED CAPITAL

Contributed capital represents sewerage facilities donated by developers. Contributed capital is amortized based on the depreciation recognized on the related capital assets. Depreciation is closed to the contributed capital account and is reflected as an adjustment to the net income(loss) on Statement D.

2. CASH AND EQUIVALENTS

At December 31, 2000 and 2001, the district has cash and cash equivalents (book balances) as follows:

| | 2000 | 2001 |
|----------------------------------|-----------------|-----------------|
| Petty Cash | \$ 29 | \$ 25 |
| Demand deposits | 40,301 | 27,525 |
| Time and certificates of deposit | 53,062 | 53,834 |
| Total | <u>\$93,592</u> | <u>\$82,384</u> |

These deposits are stated at cost, which approximates market. Under state law, these deposits, or the resulting bank balances, must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties. Cash and cash equivalents (bank balances) totaling \$ 102,094 and \$ 87,680 at December 31, 2000 and 2001, respectively are fully secured by federal deposit insurance (GASB Category 1).

3. FIXED ASSETS

A summary of fixed assets and related depreciation at December 31, 2000 and 2001, follows:

| | <u>Cost</u> | <u>Accumulated Depreciation</u> | <u>Net</u> |
|----------------------|--------------|-------------------------------------|------------|
| 2000 Sewerage system | \$ 1,069,019 | \$ 408,347 | \$ 400,712 |
| 2001 Sewerage system | \$ 1,071,031 | \$ 683,194 | \$ 407,837 |

4. CONTRIBUTED CAPITAL

A summary of changes and the effects of the changes, in contributed capital is presented below:

| | <u>2000</u> | <u>2001</u> |
|---|-------------|-------------|
| Contributed Capital Beginning of Year | \$ 484,832 | \$ 382,518 |
| Deductions Depreciation charged Against contributions | (22,333) | (22,333) |

**REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL
REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**BOARD OF COMMISSIONERS
SEWERAGE DISTRICT NO. 2 OF RAPIDES PARISH
RAPIDES PARISH POLICE JURY
Alexandria, Louisiana**

I have audited the financial statements of the Sewerage District No. 2 of Rapides Parish, a component unit of the Rapides Parish Police Jury, as of and for the years ended December 31, 2000 and 2001, and have issued my report thereon dated June 4, 2002. I conducted my audit in accordance with generally accepted auditing standards and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

Internal Control over Financial Reporting

In planning and performing my audit, I considered the internal control over financial reporting in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control over financial reporting. My consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level that risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their

assigned functions. I noted no matters involving the internal control over financial reporting and its operation that I consider to be material weakness.

Prior Audit Findings

The audit for the year ended December 31, 1998 and 1999, disclosed no instances of noncompliance that were required to be reported under *Government Auditing Standards* in matters involving the internal control over financial reporting and its operation that were considered to be material weaknesses.
